SUMMARY

German Language & Communication Specialist with over 5 years of experience in conversation training, skill assessment, curriculum development, and trainer coaching. Fluent in German with 8+ years of active use, and a native Arabic speaker with strong English communication skills and basic Turkish (A2). Skilled in evaluating language proficiency, explaining and clarifying information, providing guidance, and adapting communication to individual needs. Experienced in helping people communicate confidently in real-life situations and working effectively in cross-cultural, people-focused environments. Highly adaptable, professional, and confident in direct communication.

EXPERIENCE

Gib Gas | Egypt

Assessment & Placement Trainer | January 2023 – Present.

- Develop and design conversation materials, curricula, and level frameworks for multiple systems.
- Conduct language interviews to assess candidates for conversation trainer positions.
- Collaborate with trainers and supervisors to continuously improve training standards and outcomes.
- Monitor and evaluate learner progress, providing feedback to enhance speaking skills and confidence.

Gib Gas | Egypt

Supervisor & Conversation Trainers Coach | March 2022 – Present.

- Lead and supervise German conversation programs, driving measurable improvements in learner fluency.
- Design and deliver trainer coaching sessions, enhancing teaching effectiveness and methodology.
- Evaluate and correct learners' speaking skills, significantly improving pronunciation and confidence.
- Cultivate active participation in group discussions while fostering a supportive learning environment.

Gib Gas | Egypt

German Conversation Trainer | August 2021 – July 2022

- Facilitated learners to speak German confidently through regular conversational practice.
- Helped students apply everyday German effectively in real-life situations.
- Corrected common speaking errors and gradually enhanced pronunciation.
- Fostered active participation and built confidence in group discussions.
